## LETTERS TO THE EDITOR

The editor apologises for the late arrival of this edition of the Bar Hill News.

~~~~~

### THANKS

Freda, Julia and Nick Skelson would like to give heartfelt thanks to the people of Bar Hill for the overwhelming love and support (so freely given), during their bereavement.

I would like to thank everyone for all the lovely cards and flowers, and for the kindness shown on the sudden death of my husband Ron.

Also thanks to everyone who attended the funeral; it was much appreciated.

Pat, Nicole, Heidi Collinson.

I would like to thank everyone who participated in and helped organise the sponsored cycle ride on behalf of the Children's liver Disease Foundation, which took place in Bar Hill on Sunday June 11th. Despite the poor weather there was a good turn out and a lot of enjoyment had by all.

My particular thanks go to the Scouting Movement in the Village for letting us use the Scout Hut as the venue for the event.

It is anticipated that a lot of money has been raised for a good cause. Sponsor monies should be returned to me at 94 The Spinney, Bar Hill.

Thank you again

Richard Impey 781848

### Christian Aid Week 1995

A total of £1177.15 was raised to help those in poorer countries this year. Thank you to everyone who helped with the collection and to all who gave.

## SPORTS & SOCIAL CLUB

Dave Skelson

We were so very sorry to learn of the death of one of the most unique characters we have ever known.

Dave was a founder member of the Social Club. He served on Committee for over ten years and was Club Treasurer for five of those. He was also a character, a joker and wit. After his family, his other love was fishing and he was the driving force behind the Club's Angling Society.

He was always on the touch line giving verbal support to Nick and the other Colt footballers. He was also the Master Chef behind many of our Bar-B-Q's. There was another side to Dave not known by many. He had a soft caring side. When John Bunten was taken into hospital, it was Dave (with others) who went along to sit at John's bedside and organise a game of dominoes. When Neil Hassall suffered his heart attacks, ironically, it was Dave who went straight round to visit. If anyone needed help or advice on D.I.Y. it was Dave who went round to help.

Dave was truly a man of many parts but above all a man who will be sorely missed, not only by Freda, Julia and Nick but by all his friends at the Social Club and I am proud to say I feel extremely honoured to have known Dave and will certainly miss all his help and advice.

"Chairman Bert"

## BAR HILL FUN RUN

On behalf of Bar Hill Primary School the PTA Committee would like to thank the following companies for their support of this event:

|                |                    |                     |
|----------------|--------------------|---------------------|
| Kitchen Range  | Domino             | Anglian Windows     |
| Videojet       | Moat House         | Qualitair           |
| Victoire Press | Bar Hill Barbers   | ILC Q-Arc           |
| TESCOs         | Bar Hill Motors    | Firstans            |
| Spaldings      | Style Dry Cleaners | Elliott Engineering |

A lovely day was had by all despite the inclement weather, and we want to thank these companies as well as the many parents who helped to make this day such a success as well as a fun time for the children.

**Thank You !**

## **PARISH COUNCIL NOTES**

The monthly meeting of the Parish Council was held on Thursday, 15th June, at 7.30 p.m. in The Old Farmhouse.

**Youth Facilities** - As a decision for funding this project by Community Education cannot now be made until later in the year, progress on this project - whilst still proceeding - is not anticipated to be as rapid as previously expected.

Owing to lack of support of the activities provided in the Village Hall, these will not now be held on such a regular basis. As these were funded by the Parish Council, it has been agreed that the money previously allotted to these activities, if not used, should be channelled towards litter clearance in the Village.

**Cycle way: Bar Hill-Dry Drayton** - There are still no plans available from the County Council to show actual construction of the cycle way. However, a meeting will be arranged by the Clerk between the Parish Council and a representative from Cambs. County Council to discuss the route, etc. of the cycle way on the Bar Hill side.

**Viking Way** - A revised estimate for this work had been received and accepted so that the work - along the main part of Viking Way and into Hanover Close - could be commenced as soon as possible.

**Village Maintenance** - The grass cutting contractor had advised that, for this Parish Council, he would be retaining his current price for the next three years.

**Tree Planting** - The Tree Warden had been approached by a youth in the Village who had grown young sapling horse chestnut trees from 'conkers'. The young person and some friends, guided by the Tree Warden, will be planting the saplings around the outside of the perimeter road during the autumn.

**Development and By-Pass at Longstanton** - The Parish Council had been asked for comments on this by SCDC. There was concern at the extra traffic which would use the 'Bar Hill roundabout', however, the Clerk was asked to contact the Longstanton Clerk and support their Parish Council's views.

## **Bar Hill Nature Reserve**

I would like to dedicate this newsletter to Tommy Seaber, my mate that I work with. His son died last month aged six, half of this time fighting against a rare disease, which finally won.

He was unlucky to have this disease, but very lucky to have the parents that he did ... they are two very good people. He may have been young and small, but he was a fighter... and I would like to take this opportunity to dedicate a young horse chestnut tree, that has been planted in the Village and is still only small and growing, to Tommy Seaber.

On a brighter note, it has been brought to my attention, that 'a big lump of bees' are hanging from a bush; this has, in fact, turned out to be a 'swarm' from the Oak tree (there has been a Bees nest in the Oak tree ever since I can remember). Apparently, when the present nest or hive becomes full or the Queen starts to lose her egg laying capacity, some of them will move to find a new home and start again, and this is exactly what has happened. They are now safe.

F..... June!, that is what I have heard people saying (referring to the weather). It is in fact... Freezing, not really the sort of weather you would associate with Summer, but then, this is England, a green and pleasant land.

The hatching season for the Dragonflies and Damselflies, did not seem to last very long this year (Broad Bodied Chaser Dragonfly and Common Blue, Blue Tailed and Large Red Damselflies). There is also a good population of tadpoles in the pond, as well as Sticklebacks and Minnows (look out for the males, with their red bellies, chasing other males away, but being nice and caring to the females)

Thanks to the couple who gave me the Water Soldier plants for the pond. There are lots of Great and Blue Tit families taking to the wing for the first time; there will be a list produced later in the year.

Dear Editor,

I would like to complain about the rubbish dumped in Appletrees, as you walk through by the footpath to the Recreation Ground.

I have contacted the Parish Council 2 or 3 times about this - the Clerk even came to see it for herself once.

This has been going on for about 2 years and still nothing has been done. This rubbish is an eyesore to Appletrees and Bar Hill.

Do you enjoy singing ?

Would you like to be in a choir that sings lots of fun music ?

I would like to start a choir in our Village if enough children want to have a go. You do not have to be a brilliant singer, as long as you enjoy it.

I will let you know more details if enough people are interested.

Go on, come along and try it if you want to have some fun !

## HAPPY HOURS (The recycled Youth Club!)

We have been offered a reduced price holiday by the Isle of Wight Tours for 1996 at the Branksome Hotel, Llandudno. Realistically priced at £79 for 4 days, £99 for 5 days, this is their "Singles Holiday". If you are single, widowed or just good friends this is for you. Every room is let at single en-suite prices with no added supplement. Full English breakfast, choice of evening meal, colour TV and tea facilities in every room, live entertainment every evening. Coach pick-up and return to Bar Hill. Let me have your names as soon as possible so I can make a reservation for 1996. To enjoy the facilities of a free coach we will require a minimum of 10 people.

I put out the Isle Of Wight holiday sheet for a break in September. Again, I have had one or two enquiries but a minimum of 10 is necessary before they will accept our booking. Please let me know if you still wish to go on this.

### Trips out

They may call it "flaming June" but where is all that sun we were promised? The first 16 days were just like winter - rain in abundance; at least our trip to Great Yarmouth on 14th June was not baking hot - we were all relieved that it kept dry and fine. Our thanks once again to Sid for organizing such an enjoyable day. The coach was almost filled to capacity. Our next trip out is "Boozing down the river" - no, I'm only kidding! It is the 12th July trip down the river Thames to see the Barrage. This should be an exceptional day out and one to really enjoy. Again, names to Sid as quick as you can, because "first come, first served". This will be most popular, and let's pray the sun comes out in all its glory.

### Sick List

Not a lot to report here, thank goodness. Jimmy Platts has been under the weather, Bill and Ellen Drewell have had their problems, and our committee member Roy has had a recurrence of his back trouble. Get well all, and be back with us as soon as you can. I know all the members wish you well. I almost forgot - Uncle Fred Styles - he could not make the Great Yarmouth trip because of his knee problem. Let's hope the surgeon gets cracking and relieves him of his pains. Cheer up, Fred, we are all rooting for you. (NB that excludes the Arsenal Football Team). Further good news - Joan Smart is out of hospital and hopefully the hip is on the mend.

### Wit and Wisdom

Had you realized that Senior Citizens are worth a small fortune? They have **silver** in their hair, **gold** in their teeth, **stones** in their kidneys, and **lead** in their feet! They are also not short of visitors; for example:

Two gentlemen arrive to see me every morning. Will Power comes to help me out of bed. Then Arthur Ritis shows up and remains all day - although he does dislike staying in one place and moves from joint to joint.

The last time the Vicar came to call he said 'At your age you should be thinking of the hereafter. I told him I do all the time - in the kitchen, in the living room, in the bedroom. I stand there and ask "What am I here after?"

In my local paper it was reported that the Housing Department has changed the name of the new housing complex for the elderly - the proposal for St. Peter's Close did seem rather insensitive! And now the undertakers have announce that the burial charges are to go up at the cemetery due to the 'cost of living'

### The Fete

Unfortunately, Phyllis will not return from holiday until after the fete. Our sincerest apologies, but we would like to thank in advance all those Happy Hours members who will be undertaking so much on the Club's behalf; Sid and Ruby Hunt for co-ordinating all the donations and gifts we have received for the Tombola stall, Flossie and her family who will run the stall, Olive Taylor for making the cake, Jim Platts for organizing the "Bowls", Olwen, Vera, Ruby and Olive for running the Happy Hours Stall, Sid Hunt and Fred Taylor for doing the Raffle. Our grateful thanks to those members who made donations to our stall. Thank you indeed. Last, but not least, a very big thank you to Gloria Pepper for all the advice and help she gave us in putting the event together.

Goodnight Freddie, thank you for letting me play with your marbles

## SPORTS & SOCIAL CLUB

As I reported last month, we are in the process of organising a celebration of VJ Day. We have booked the Village Hall for Saturday 19 August and a band will be providing an evening of 1940's music. There will be a nominal entry fee and tickets are available from the Social Club at £1.00 each. For those of you who were present at the VE Evening and hopefully enjoyed it, why not bring your friends. This time there will be no quiz, just music, dancing, light refreshments, a full bar, so if you want to dig out your old uniforms and medals we will be pleased to see you.

Rugby World Cup fever has now diminished, football goals and nets put away and the sound of leather on willow resounds from the Village Green, summer, if not the weather, is now upon us. So why not wrap up well in your thermals and come to watch and support our Cricketers. The Social Club agreed to donate £210 towards the cost of three new bats, one for each team for the new season.

Our plans for the expansion of the Village Hall continue and we are well on in the preparation of our supporting documentation for presentation to the Parish Council.

### Future dates for your diary are:

- 07 July 1995--"Basic Reaction"
- 25 July 1995--"Ladies Cricket Match"
- 30 July 1995--"Wrinklies Cricket match"
- 12 August 1995--"Children's Pop Quiz"
- 19 August 1995--"VJ Night Celebrations"

In memory of Dave Skelson, alias "Bert", to everyone (including all "Berts"), the Family wish any collection made will be given towards a bench on the Village Green. The Social Club are therefore launching such an appeal, so anyone wishing to make a donation please either place your money, however large or small, behind the bar or leave it in a sealed envelope behind the bar marked for the attention of Lesley Sadler, Secretary. Any request for anonymity will naturally be respected. Thank you.

Finally, to all of you, but particularly the residents of Appletrees and the Spinney, the noise emanating from the Village Hall on Friday evenings is absolutely nothing to do with the Social Club, indeed, we have been complaining ourselves. The noise and associated rubbish, beer cans, bottles, broke glass etc., are from the Village Hall Hiring to the Swavesey run Youth Club. Yes, it's the kids of this Village you hear shouting and swearing outside. Apologies to those who have approached the Social Club regarding this matter, but we cannot do anything about it. So please direct your complaints to the Village Hall Management Committee either to Alan Reay (Chairman) or Sandra Spence (Caretaker).

G. Sadler (Chairman).

## A précis of a 'letter to the editor' from 'Just Will'

*Dear Editor,*

### A Bench Seat

*I have chosen to write to you, rather than to the Parish Council, to ensure a wider audience. I refer to the need for a bench seat halfway between the hungalows and TESCOs. When the new Church was built a **very popular** bench seat was removed, along with several conifer trees.*

*Most of the residents here are retired, and consequently experience difficulty walking to and from TESCOs. We do, of course, return our trolleys to TESCOs, so there may be four journeys involved in a visit to the shops.*

### The weeds on our pathways.

*The weeds along our roads and pathways have been allowed to grow in profusion, and are getting out-of-hand.*

*Some of the pathways (a real asset to the community) are already heavily overgrown.*

*I believe that the responsibility for this is with the South Cambridgeshire County Council, but I would appreciate a comment from the Parish Council.*

### Village Church

*I think it would be nice to have a complete **Peal of Bells** in the Church, instead of the single bell with its clong, clong, clong, ..... Please can we have a 'clang'. A **Peal of Bells** is a customary feature of Village life.*

### Thanks

*I would like to comment on the good work carried out by the Happy Hours Club, and the fine work done with the younger generation by the Football and Cricket Managers. I would also like to acknowledge all the good work done by Fred Styles, who is a great asset to our Village*

### Just Will.

**Editor:** Reading this letter, may I suggest unofficially that, since it is often the case that people donate a bench seat *in memoriam*, someone might like to donate a bench seat to this cause.

In the Playroom we try to encourage the children's imagination with a wide range of toys, puzzles and games. Role play is encouraged by dressing up clothes, 'phone box, Playhouse and much more. The sessions are run by Heather, Barbara, Jan and Jenny.

Welcome to Jenny Dedman, our new Play Assistant.

Goodbye to all children leaving for school. We hope that they all enjoyed their time at Playgroup and go on to enjoy school.

### Bar Hill District Guide Association

Unfortunately our copy for May was missed in printing so here's what happened :-

The Rainbows have completed their work for the Arts Alive Challenge, which culminated in a Cameo presentation at Swavesey Village College on the 21st May 1995

1st Rainbows have covered the 'B's in June with meetings themed on bubbles and bees - have you ever, in the words of the advert, 'I want to be a bee (similar to tree!!)

As 1st Bar Hill Brownies only re opened on the 9th March 1995, with all girls new to Brownies they have been learning about the Brownie Promise, Law and Motto in all sorts of ways, including making marzipan Freda elephants. They have been joined this term by some girls from the recently closed Longstanton pack, who joined in the pack enrolment on the 18th May, where I was pleased to receive the Promises of all the girls and appoint the 2 unit helpers, Mary Wilby and Karen Doig.

2nd Bar Hill Brownies are working on the Road Safety badge as a pack, as well as having 4 girls working on their Promise ready for their enrolments on the 23rd May and 13th June.

Making and painting Salt dough characters for the Arts Alive challenge has kept 3rd Bar Hill Brownies busy. They have also done some sign language and made code wheels. They were covering wheels in the meeting I visited, and I was impressed to see they were 'in motion' on roller skates, roller blades, skate boards and bicycles.

Some of the Guides, along with Pippa Hall, went to Swavesey on the 13/14th May for the Division camp, where they were able to go swimming in the College pool and on a hike. At Guides they have had a science evening.

The Rangers have been cooking (and of course eating) a Chinese meal. They went on a sponsored hike on the 13th May to fund their trip to Canna.

90 girls, guiders and friends of the District Guide Assoc. invaded the Corn Exchange on Saturday 3rd June 1995 and watched the Chuckle Brothers show. Even though we were at the very back of the balcony there were still some amongst us who made themselves seen, one way or another!

For more information about Guiding in Bar Hill please contact me.

has come to Bar Hill

Many people find it difficult to lose weight because they wrongly believe you have to eat less, and cut out all your favourite foods. The fact is with **Slimming World** absolutely nothing is banned, there is no calorie counting and very little weighing involved. Treats like alcohol, chocolate and crisps, which are not allowed on other diets, are available every single day.

**Slimming World** is one of Britain's largest and most successful slimming organisations running over 4000 classes nation-wide each week, via a network of highly qualified consultants. The **Slimming World's** unique eating plans are exceptionally easy, very generous and great fun to follow. And the best thing is you choose what weight you would really like to be.

Our weekly classes are renowned for their warmth and friendliness and the famous 'Sin-a-day' eating plans with no more hunger, and that certainly brings a smile to every slimmer's face.

Food for thought; *Nothing tastes as good as being slim feels*

Georgina opens at the Church Centre Viking Way on Wednesday 28th. June at 7.00pm. For more information please telephone (01353) 778339.

After "many long, hard seasons" managing the lads who finished the last campaign as our Under 16's, Bob Cordiner has decided to retire from team management. A big thank you goes to Bob for all of his work both with the team and on the Colts Committee. We hope that he stays involved with the Club and also wish all of the lads of his team every success in the future.

The Dad's Five - a - side was "fought-out" on 18th June, and was this year won by a team that have never had their name on the trophy before. Well done to the Dad's of the Under 12's who beat the Under 9's in a final that was won in an exciting penalty shoot-out.

Thank you to all who supported the Barbecue on 24th June. It was it's usual success and our thanks go to Roy's Butchers for supplying the meat, and to all of the wives, who worked so hard in preparing salads, desserts etc.

Now is the time for all prospective new players to contact the Club, as signing-on for the next season will commence shortly. Team managers are:

|           |                               |

## Allotment Society

The Society would like to thank the Community Association, the Residents' Association and the Sports and Social Club for their generous donations towards the cost of our new shed. Without these donations we would not have been able to go ahead with the project.

As a result of the replacement of the old shed a very substantial pair of teak and metal doors, about five feet wide, with a metal-clad frame and Chubb locks with keys, is now surplus to our requirements. If anyone is interested in acquiring these doors please contact the Chairman, Keith Morris (782441) We shall be holding a plant stall at the Fête and will be grateful for any support, as we still need to raise some money towards the cost of the new shed.

## FOOTBALL QUIZ

A change of name and address, but the same high standard of workmanship is still available to Bar Hill residents. Now trading as the **BLOCK PAVING COMPANY** we offer a full planning service for drives, paths and patios and will be pleased to quote for installation to include full excavation, site clearance, labour and materials.

May we also introduce our textured coating division, **BPC COATINGS**. If you live in a rendered property, and there are many in the village, does it have a drab appearance? If so, it could benefit from textured coating. Twenty times thicker than ordinary paint and available in twenty colours, it is guaranteed for fifteen years against chipping, flaking and peeling. For a free quotation without obligation, telephone 781511 mentioning Bar Hill News; it could save you up to 20%.
